

INTERN CONNECT AFRICA

2023 Highlights

Soft Skills - Employable Skills - Job Ready

Introduction

- 2023 marked a very interesting feat as we navigated the road towards achieving our primary goal to provide Soft Employable Skills to Africa's youth and leaders of the next generation.
- Our advocacy work continued and efforts to contact the public through social media and directly with institutions and potential interns was undertaken.

Soft Skills Training – University of Professional Studies, Accra - Ghana

- Provided **free** soft skills training to 15 students from the University of Professional Studies, Accra.

Collaboration with University of Ghana Business School (UGBS)

- Begun discussions to draft an MoU to institutionalize the A&P Intern Connect Africa's internship programme at the University of Ghana Business School to improve employability and placement for students when they complete their academic programme.

Internship Bootcamp – University of Ghana Business School.

- A 2-day bootcamp with students at the University of Ghana Business School. 25 students mainly in the final year benefited from this maiden edition.
